How It Works

Unlike traditional home sales, where you can miss out on your dream home while waiting for your current house to sell, the Knock Home Swap gets you into your new home first.

1. Get Pre-Approved

With Knock, we'll get you fully underwritten for a new home loan including down payment assistance so you can start making offers fast.

2. Buy Your New Home First

Put down a winning offer on your dream home and move in right away. You only pay your new mortgage while we cover your old one.

3. Then Sell Your Old House

Knock will pre-pay up to \$25,000 to get your old house ready for listing on the open market so it sells fast for top dollar—it's that simple!
